Six erotic stories about sexy young men and their relationships:

**Waterfront Romance:** Romance and treachery go hand in hand in this romantic novel of a Coast Guard officer, Eddy, and a civilian, Steve, who vie for the attentions of Kris, a tall, blond Swede whoâ€™s a hairy and handsome captain in the Coast Guard.

**Morning Aroma:** Their mating dance begins as a quadrille in a sidewalk bistro and ends in a tango when Todd, a model for the hair care product company he also owns, meets Justin who becomes his Public Relations account executive.

**Preppy Encounter:** Take three males: two preppy private school students and one horny twenty-five-year-old, mix in a penthouse condominium, well endowed young men with tight bodies, and you get Preppy Encountersâ€™ encounters of the best kind.

**Love the Sinner:** Two young men, DeWayne and Bradâ€™ one black and one whiteâ€™ are basketball players at a strictly religious university, who discover they have a great deal in common; a revelation leading to a sexual epiphany.

**Robbieâ€™s Rocket:** A homemade rocket launch is the perfect metaphor for Robbie and Kevinâ€™s volatile relationship; rejection, revenge, rebellion, porn, and attraction are the ingredients of an explosive romance.

**The Snow Ball:** Sex, exploitation, lust, and love come together in the New England all male college preparatory school where Chet and Bryce are roommates when Bryce, fed up with Chetâ€™s exploitative sexual behavior, dances at the Snow Ball with another gay student.
